

## LANDLORD/PROPERTY OWNER PERMISSION AND AGREEMENT FOR INSTALLATION OF FIBER OPTIC SERVICES

This Landlord/Property Owner Permission and Agreement for Installation of Fiber Optic Service ("Agreement") is used to confirm the named person as renter, lessee, tenant, or occupant (collectively hereinafter "Occupant") is authorized to receive fiber optic service at the home, building, or property owned by the named landlord.

By completing this information, I confirm I am the owner ("Landlord") of the home, building, or property described herein. I understand BOLT Fiber Optic Service, Inc. ("BOLT"), may require proof of ownership before initiating construction to provide service. I agree that in order to allow installation of fiber optic service to Occupant, I grant any required easements and will allow access to BOLT representa-tives to install, construct, maintain, and repair its equipment and rights of way.

Prior to installation or service construction, BOLT requires this authorization if the Occupant: 1) does NOT own the home or building where service is requested, or 2) does own the home or building, but does NOT own the property upon which it is located.

Return this completed form to one of the options listed below.

## AGREEMENT

By signing below, the Landlord authorizes BOLT to install necessary equipment to provide service to above-named Occupant and agrees to the requirements within this Agreement. Landlord acknowledges that the installation of such services may require BOLT to install fiber and/or attach wiring and hardware to the either of the property's exterior or interior.

Landlord also agrees that BOLT is not responsible for the removal of such hardware, nor is BOLT responsible for restoring the property or building to its original condition upon termination of service(s).
